

Changing Tides in the Lives of Families

# Ocean Partnership for Children

## Our Vision

A totally accessible, individualized, family friendly system of care for youth and their families – one that offers the highest quality supports with unconditional care and sustainable success.

## Our Mission

To enhance the well-being of youth and their families through natural and community supports.

# Strategic Plan 2023-2026

## Priorities & Goals

### Agency & Workforce Operations

To ensure the agency operates at the highest level of effectiveness, with clear values and a strong connection to the mission.

### Work Environment & Culture

To cultivate an environment that promotes engagement, equity and efficiency.

### Sustainable Business Model

To continually examine the agency's strategic presence and explore opportunities for growth and sustainability.

### Diversity, Equity & Inclusion

To commit to developing an agency and community where all individuals feel safe being present as their authentic, whole selves.

### Technology

To make certain that the technical capabilities of the agency enable OPC to achieve its strategic objectives.

### Board Identity & Development

To build upon the existing infrastructure of the board of trustees to align with the growth of the agency.
